

The tradition continues! After four years of fun and fundraising, the Township of Langley Firefighters' Charitable Society is proud to announce our fifth annual golf tournament.

Presented by our *Fifth Alarm Sponsor - Vulcan Projects*, this will be a fun day of golf and friendly competition at Newlands Golf and Country Club, with the objective of raising money for local charities. The tournament includes a full 18 holes of golf, activities, great food and beverages and prizes.

Sponsorship opportunities start at \$650 for a hole sponsor and go up to \$15,000+ for our 5th Alarm Sponsor.

This year's proceeds benefit the **Langley Child and Youth Advocacy Centre**.

"Thank you for your support of Langley's youth."
